SUMMARY:

Java Full Stack Developer with 6 months of internship experience in developing RESTful APIs and full-stack web applications using Java, Spring Boot, React, and MySQL. Hands-on experience with Spring Security, JWT-based authentication, database integration, and responsive UI development. Actively seeking Java Backend / Full Stack Developer roles.

EXPERIENCE :

❖ **Software Developer Intern | Corefinexperts Technologies Pvt Ltd Pune**   **Feb 2024- July 2024**
  - Collaborated with backend teams to integrate REST APIs with frontend components.
  - Developed responsive and dynamic user interfaces using React.js.
  - Designed user-friendly screens and basic wireframes using Figma.
  - Enhanced UI responsiveness and performance through optimized design practices.
  - Used Tailwind CSS and Bootstrap for modern and responsive styling.

PROJECTS :

❖ **Sports Management System | *Spring Boot, React, MySQL* (LINK)**   **Nov 2025 - Present**
  - Designed RESTful APIs using Spring Boot and JPA.
  - Implemented authentication and authorization mechanisms.
  - Built tournament and participant management modules.
  - Integrated MySQL database for application data.
  - Developed responsive UI using React and Material UI.
  - Implemented basic security features using Spring Security.

❖ **A Flight Booking Web application | *Java, JSP, Servlets, MySQL***   **Apr 2024 - May 2024**
  - Developed flight booking system using Java, JSP, and Servlets.
  - Implemented login/register functionality with session management.
  - Used JDBC for database connectivity and CRUD operations.
  - Implemented cookies and HTTP sessions for personalized experience.

SKILLS :

  - **Core Java: OOPs, Exception Handling, Collections**
  - **Backend: Java, Spring Boot, Hibernate, JPA, REST APIs, Spring Security, JWT (Basic)**
  - **Frontend: React.js, JavaScript, HTML5, CSS3, Tailwind CSS, Bootstrap**
  - **Database: MySQL, SQL**
  - **Security: Authentication, Authorization**
  - **Tools: Git, GitHub, Figma, Postman, Eclipse, VS Code**

EDUCATION:

❖ **M.Sc. Information Technology** | Z.B. Patil College, Dhule (2024 – 2026) K.B.C.N.M. University | CGPA: 8.09 (till 3rdSem)

❖ **B.Sc. Information Technology** | Z.B. Patil College, Dhule (2020 – 2023) K.B.C.N.M. University | Percentage: 74.39%

❖ **Higher Secondary Certificate (HSC)** | Jai Hind High School, Dhule(2019-2020) | 58.15%

❖ **Secondary School Certificate (SSC)** | Jai Hind High School, Dhule(2017-2018) | 60.00%

ACHIEVEMENTS :

  - **Successfully delivered multiple React UI modules within internship timelines and received positive feedback for UI responsiveness.**

CERTIFICATES :

  - JAVA Certification
  - Full Stack java Development Certification
  - Internship Certification
